ARK UNLEASHES A DINO-SIZED DOSE OF EERIE DELIGHTS AND PRIMAL FRIGHTS FEATURING THE NEXT FANTASTIC TAME - THE DREADMARE - AND THE ·FEAR ASCENDED· EVENT! The Soaring Dreadmare Unleashes Dark Magic on Its Enemies, Alongside The ·Fear Ascended· Haunted Experience Filled With Zombie Wyverns, Werewolf Costumes, and the Return of the Dodowyvern & Dodorex! SEATTLE, WA - October 30, 2024 - Studio Wildcard is excited to unveil the Dreadmare, the latest addition to the Fantastic Tames DLC fantasy creature series for ARK: Survival Ascended . Joining the ranks of the fiery Pyromane, this ominous steed is a mythical creature shrouded in darkness and whispered about in legend. With its shadowy wings and corrupted horn, Dreadmare takes to the skies, unleashing powerful dark magic weakening enemies by draining their life force to revitalize itself as foes wither in its wake. The Dreadmare can shroud an ally within a veil of darkness, hiding them away in another dimension for strategic advantage until called upon for aid. Watch the new trailer for ASA ·s Fear Evolved event and the Dreadmare in action HERE . Download ASA media assets HERE . Cripple foes with blasts of dark energy that tear away their defenses and can unleash a devastating wave of dispelling magic, stripping away buffs to leave enemies exposed.
