ARK: Ultimate Mobile Edition media assets found HERE . ARK: Ultimate Mobile Edition features gigantic worlds to explore, taming and training of over 150 dinosaurs and primeval creatures, multiplayer tribe dynamics, and, of course, crafting and building - all while setting a new standard for graphical and feature expectations on mobile devices. The App launched today with the original ARK Island Map, Scorched Earth and Aberration expansion maps. All additional expansions will be available by the end of 2025. ARK Island : In this free experience, ARK players are stranded naked, freezing and starving on a mysterious island, where they must hunt, harvest, craft items, grow crops, and build shelters to survive. They use skill and cunning to kill, tame, breed, and ride the dinosaurs and primeval creatures living in the ARK. From primordial island jungles progressing to the futuristic tek-chambers of an interstellar starship, every sprawling environment is here for you to conquer either online or single player. ARK PASS SUBSCRIPTION: Players wanting to get the most out of their survival experience can opt into the ARK Pass (available at $4.99/monthly or $49.99 annual subscription) which unlocks every current and future Expansion Pack and monthly bonuses, including: God Console - console commands in single player Bonus XP in all game modes Monthly drops of free ·Keys· - ARK·s in-game currency Exclusive access to servers Expansion Packs and features can also be purchased individually. Scorched Earth Expansion Pack : This entirely new land is composed of six unique, desert themed biomes - dunes, high desert, mountains, canyons, badlands and oasis - each with their own aesthetic and ecosystem. Use skills honed on ARK's faraway Island to kill, tame, breed, and ride the fantastical new creatures that have evolved to survive the Desert's ultra harsh conditions, including... DRAGONS! Travel back and forth between the Island and the Desert to team up with hundreds of players across both worlds or play in single player mode. Aberration Expansion Pack : Waking up on ·Aberration·, a derelict, malfunctioning ARK with an elaborate underground biome system, survivors face exotic new challenges unlike anything before: extreme radioactive sunlight and environmental hazards, ziplines, wingsuits, climbing gear, cave dwellings, charge-batteries, and far more, along with a stable of extraordinary new creatures await within the mysterious depths. But beware the ·Nameless·: unrelenting, Element-infused humanoids which have evolved into vicious light-hating monstrosities! On Aberration, survivors will uncover the ultimate secrets of the ARKs, and discover what the future holds in store for those strong and clever enough to survive!
