CD PROJEKT RED: Öffentliche Mitteilungen zur Musikproduktion vom 14. und 19. September 2023

Archivierte Textfassung: Pressemitteilung. Inhalt aus der damaligen Pressezustellung, neu gesetztes PDF ohne private Kontaktdaten.

Listen to the tunes from Cyberpunk 2077: Phantom Liberty today! CD PROJEKT RED, in collaboration with Milan Records, invites players to discover the music of Phantom Liberty, the upcoming expansion to Cyberpunk 2077 releasing September 26th. The tracks, fresh out of Night City, are now available worldwide on all popular music streaming platforms. The 15 released tracks are a selection of Phantom Liberty·s full score and take listeners on a nearly hour-long journey into the world created specially for the expansion by composers P.T. Adamczyk (Cyberpunk 2077, Cyberpunk: Edgerunners) and Jacek Paciorkowski (Seven: The Days Long Gone). The album is an opportunity to get to know the world of Phantom Liberty before its release by introducing listeners to the atmosphere of the action-packed district of Dogtown and immersing them in the spy-thriller story created by CD PROJEKT RED. The entire album is available on music streaming platforms including Spotify, Apple Music, Tidal, Deezer, and many others. Listen to the official score of Phantom Liberty · I loved being able to come back to Night City, but I loved creating a completely new score based on a new adventure, in this unique, dark-future location of the most dangerous district of Night City even more!· says Senior Composer at CD PROJEKT RED, P.T. Adamczyk . ·We use more than just visual design and story to create the mood of our games; we also put an emphasis on music. Everything has to work together to create one coherent image. This time, we had the fun challenge of working in a completely new territory, a spy-thriller story, the effect of which Jacek Paciorkowski and I are very proud of. An hour of music from Phantom Liberty awaits you to give you a taste of just what·s coming your way. I hope that you·ll like it - and see you soon in Dogtown.· During the special episode of Night City Wire - the official series covering Cyberpunk 2077 - the studio also announced that the free Update 2.0 will include three new radio stations: 89.7 GROWL FM , comprising tunes from winners of a community competition, 107.5 DARKSTAR RADIO , including two tracks by Idris Elba who plays secret agent Solomon Reed in Phantom Liberty , and 99.9 IMPULSE RADIO , containing an over hour-long DJ set by Idris Elba and featuring the Polish duo Private Press. Watch the latest episode of Night City Wire Cyberpunk 2077: Phantom Liberty will release for Xbox Series X|S, PlayStation 5, and PC (GOG, Steam, Epic Games Store, and GeForce Now) on September 26th, 2023. The Cyberpunk 2077 base game is required to play the expansion. To find out more about Cyberpunk 2077 and its expansion, visit the game·s official website , as well as follow the game on Facebook and X . Dive deep into Night City·s new radio station featuring songs created by the community! Alongside the upcoming Cyberpunk 2077: Phantom Liberty expansion releasing September 26th and the free Update 2.0, CD PROJEKT RED has shared a documentary about the creation of 89.7 Growl FM - the new radio station in Night City, created by the studio in collaboration with the Cyberpunk 2077 community. The documentary shows nearly 45 minutes of behind-the-scenes footage from the creation of the station, including interviews with the talented artists behind the tracks of the dark future. It also includes talks with the representatives from CD PROJEKT RED who were in charge of the Growl FM competition as well as those responsible for choosing the winners, including composers P.T. Adamczyk (Cyberpunk 2077, Cyberpunk: Edgerunners) and Marcin Przyby·owicz (The Witcher 3: Wild Hunt, Cyberpunk 2077). The documentary is in English with subtitles available in a variety of languages and can be found on the official Cyberpunk 2077 YouTube channel. Watch the 89.7 Growl FM documentary 89.7 Growl FM, presented by DJ Ash (voiced by Sasha Grey), is one of three new stations appearing in Cyberpunk 2077 with Update 2.0. The 14 tracks which will feature on Growl FM have been chosen from nearly 8000 entries submitted by the Cyberpunk 2077 community as part of the competition organized by CD PROJEKT RED. Along with the documentary, all 14 songs are available on the official 89.7 Growl FM playlist created by CD PROJEKT RED on all popular music streaming platforms. Listen to

89.7 Growl FM Update 2.0 releases September 21st, 202, and players will be able to discover a selection of new gameplay interactions themed around Growl FM and its songs. You can find more information about features coming to Cyberpunk 2077 with Update 2.0 and expansion Phantom Liberty on the game·s official website , Facebook and X .
