FOR IMMEDIATE RELEASE Graveyard Keeper Makes its Last Journey to PS4 & Xbox One Today The Last Journey Edition includes all DLCs, including the Better Save Soul expansion, launching simultaneously on consoles SEATTLE - April 18, 2023 - Graveyard Keeper , the dark comedy cemetery management sim from developer Lazy Bear Games and publisher tinyBuild , sends souls off with the Last Journey Edition , which includes the base game plus all DLCs on Playstation 4 and Xbox One today. The Better Save Soul expansion also cleanses sins simultaneously on consoles today. A critically acclaimed, cult classic title since its launch in 2018, Graveyard Keeper·s Last Journey Edition celebrates the franchise by combining all of its previously released content plus the Better Save Soul DLC, now available to consoles, into one bundle, perfect for long-time fans or players looking for a new (and incredibly funny!) experience. Awaken with bloodshot eyes and a foggy head, surrounded by raunchy townspeople in an unfamiliar medieval land as their newest· Graveyard Keeper? Brush up on some average everyday embalming, tombstone creation, and lot management. Make critical decisions with incredibly relatable ethical implications, like harvesting the organs from bountiful corpses and selling them to the local butcher for some extra dough. Modify and upgrade zombies· organs with the previously released Breaking Dead DLC , while trying a hand on how to run a tavern with Stranger Sins . Face the vampire terrorizing a peaceful village (or live to become a snack) with the Game of Crone expansion, bringing more horrible secrets, and allowing players to create their own refugee camps in hours of brand new gameplay. Save souls for the sake of The Ancient Contract (and personal gain) in the Better Save Soul DLC. Help a shady new friend named Euric remove the shards of sin from his soul in return for the invaluable knowledge of remote workbench management to maximize mortuary efficiency. ·The cemetery beckons for new employees, so we·re looking forward to adding PlayStation 4 and Xbox One players to our Graveyard Keeper roster,· said Nikita Kulaga, Co-Founder, Lazy Bear Games, ·We hope these new-hires pick up their shovels and enjoy our otherworldly mix of the stranger side of the medieval times, raunchy and playful dark humor, and compelling management sim.· Graveyard Keeper Last Journey Edition launches on PlayStation 4 and Xbox One today. It includes the base game plus Breaking Dead , Stranger Sins , Game of Crone and Better Save Souls DLCs for USD $49.99. The Better Save Souls can be purchased separately for USD $9.99. It supports English, French, German, Simplified Chinese, Spanish - Spain, Brazilian Portuguese, Korean, Japanese, Russian, Italian, and Polish languages. Graveyard Keeper and all DLCs are already available on PC via Steam . Starting today until Tuesday, April 25, Steam users will enjoy a 80% discount on all Graveyard Keeper -related products. For more information, check out the official Graveyard Keepers website , follow @tinyBuild and @LazyBearGames on Twitter, and join other attendants of corpses on Discord .
