Ravenlok , the action-packed fantasy tale from Cococucumber , following a young girl transported into a troubled kingdom, rises to immortality with 250,000 unique players on Xbox, PC, and Game Pass since its release a week ago, on Thursday, May 4, 2023. Cococucumber thanks their rapidly growing community for this outpouring of support for Ravenlok , available on Xbox Series X|S, Xbox One, Xbox Game Pass, and Epic Games Store for PC. Watch the Launch Trailer "We're thrilled to announce that in just a week since launch, Ravenlok has already gained over a quarter of a million players," shares Vanessa Chia, Producer and Director at Cococucumber. "With yesterday's release of Patch 1 , which adds localization support for French, Italian, German, Spanish, and Portuguese languages, we're grateful that even more fans will now be able to fully immerse themselves in the captivating world of Ravenlok ." Ravenlok - Patch 1 includes new languages and options to adjust difficulty levels, among other quality of life improvements. Read the full patch notes on the Cococucumber blog. Upon falling through a magic mirror, Kira embraces her role as Ravenlok, destined to save the fallen Realm of Dunia from a tyrannical queen. Wielding sword and shield, embark on an action-packed adventure teeming with enchanting creatures and captivating quests. Venture through vivid biomes, from the enigmatic Mushroom Forest to the eerie Mask Mansion. Engage in real-time combat, acquire new abilities, and unearth the realm's secrets. Experience a magnificent journey with a stunning voxel art style and an evocative soundtrack, in seamless 4K resolution at 60fps, fully optimized for the Xbox Series X. Ravenlok is out now on Xbox Series X|S, Xbox One, PC, and Epic Games Store (Windows PC) for USD $24.99, as well as for PC and Xbox Game Pass subscribers. Learn more about Ravenlok on the Cococucumber official website , and follow the studio through the realms of TikTok , Twitter , and Instagram .
