MONTREAL: Wednesday, August 16, 2023 - Independent game development studio AutoExec Games have announced two significant features for its award-winning time-traveling co-op strategy game Timemelters , currently in Early Access on Steam. Starting today, players can enjoy the exciting new Speed Run Mode and download the Friend Pass , allowing them to experience the game·s co-op multiplayer mode, enhancing the multiplayer experience, at no additional cost. In this major update, players are invited to dive into a unique gaming challenge that spans both solo and co-op modes, bringing new dimensions of excitement and competition to the Timemelters universe. To help celebrate this latest update, AutoExec is also kicking off the Speed Run Season 1 contest, which starts today and runs through September 16, spans both the single-player and co-op modes of the game, and offers a range of prizes. ·With Timemelters, we are committed to fostering a dynamic and engaging gaming environment, providing players with new challenges and opportunities for collaboration,· said Vincent Blanchard, AutoExec Games· CEO and Timemelters designer. ·The Speed Run Season 1 contest and the introduction of the Friend's Pass underscore Timemelters' dedication to delivering innovative and rewarding experiences.· The centerpiece of this update is the highly anticipated Speed Run Mode. Players can now test their skills, both individually and collaboratively, to navigate through intricate levels with the utmost precision and speed. Participants in the Speed Run Season 1 contest have the opportunity to showcase their mastery by engaging in solo runs, co-op runs, or a combination of both, competing for recognition and exclusive rewards. Adding a new layer of camaraderie to the experience, Timemelters presents the Friend's Pass, available for free on Steam. This feature enables players to enjoy the co-op campaign alongside a friend, regardless of whether they own the game or not. This seamless integration fosters teamwork, camaraderie, and shared victories. About the Speed Run Season 1 Contest The Speed Run Season 1 contest invites participants to take on the Duskamble Speedrun Challenge. Whether conquering levels solo or teaming up with friends, players can record their gameplay and upload it publicly on platforms like YouTube, using the in-game timer to maintain fair play. Rules prohibit exploiting glitches or modifications, ensuring a level playing field for all participants. As an incentive to excel, Timemelters presents a range of enticing prizes for top performers. In the solo category, the player securing the top spot on the Duskamble Leaderboard at the end of Season 1 will receive a $50 Steam gift card, granting them the freedom to enhance their gaming collection. Furthermore, those ranked from second to fifth place will be entered into a draw for an additional $50 Steam gift card. In the co-op segment, the first-place team on the Duskamble Leaderboard will each receive a $25 Steam gift card, recognizing their prowess and teamwork. Teams ranked from second to fifth place will also have the chance to win $25 Steam gift cards through a draw. Participants can multiply their chances of winning by engaging with the Timemelters community. Following the developer's Steam page, sharing speedrun videos with the hashtag #TimemeltersSpeedrun on social media, and joining the community Discord server will all earn extra entries into the top five drawings. All details are available on the game's Steam Page and Facebook Page . . About Timemelters Timemelters is a strategy-adventure game that features a unique game mechanic - time travel, which allows the players to go back in time and fight alongside themselves. Players take on the role of Teagan, a witch whose powers were recently unleashed by an unwelcome guest. In her shoes, players must venture forth in a desperate effort to cleanse the countryside from the seeping evil that is corrupting it. Grand Winner of the Ubisoft 2022 Indie Contest, and recipient of the 2021 MEGAMIGS Public Choice and Technological Innovation Awards, Timemelters is currently available in Early Access on Steam for $19.99 USD
