It·s almost time to get your game on! Unite 2022 kicks off November 1. Our world-renowned conference for game developers is back, and you won·t want to miss out on all the action. Register now for the global virtual event or one of five in-person experiences around the world. Registration is free and open to all. Excited to learn some new skills? This year·s event includes a wealth of engaging, expert-led sessions covering the latest workflows, time-saving tips & tricks, and proven strategies for turbocharging your game - from concept and design to launch and profitability. Eager to expand your network? Get involved in lively conversations, roundtables, and Q&A sessions with Unity pros. Meet the people behind some of your favorite games and experiences. Build connections with industry peers, share your projects, and dive into the vibrant Unity community. Ready to have a blast? With plenty of awesome prizes available to be won - including a year of Unity Pro and an iiRcade console - you might not walk away empty-handed. And, why not end the day with the world·s first multi-destination virtual concert? Take a look around, mingle, and join the party! We·re continuing to add new speakers as the event approaches - check out the full session schedule and register below. Register now See you on November 1, The Unity team PS: Registration is also open for the Unity for Humanity Summit , a virtual celebration of real-time 3D creators using Unity to make the world a better place. Join us on November 2 - the day after Unite.
