We·re excited to announce that our Call for Proposals is now open for Unite 2023. Eager to showcase your skills and share your expertise with the Unity community? Submit a proposal to speak at Unite in Amsterdam this November. The Unite 2023 themes are: Exploring Unity·s dynamic ecosystem for creators Reimagining game development and play with AI Building live and multiplayer games Turning a big idea into big success Your submission must align with one of these four themes. We welcome proposals for sessions directed at one or all levels of expertise, from beginners to experts. We are especially interested in receiving submissions from groups that are typically underrepresented in technology and engineering. You must nominate yourself as a speaker; unfortunately, you can·t make a submission on behalf of someone else. Be sure to submit your ideas before July 11, 2023 . Submit your proposal
