Unity for Humanity: Öffentlicher Förderaufruf vom 14. November 2022

Archivierte Textfassung: Pressemitteilung. Inhalt aus der damaligen Pressezustellung, neu gesetztes PDF ohne private Kontaktdaten.

The Unity for Humanity Grant 2023 is now open for applications. This year, the Unity for Humanity program will be awarding funding for real-time 3D social impact projects from a pool of $500k USD. These projects, which aim to make the world a better place, must be currently in production. Grant winners will receive funding, mentorship, and technical support for their impact-driven project. For a full list of grant criteria and application details, visit the FAQ on our website . ·The world we want is possible - if we create it, design it, and innovate it.· - Rosario Dawson What do I need to apply? Projects that are awarded the Unity for Humanity Grant must align with at least one of the UN Sustainable Development Goals . Previous winners include: Dot·s Home , a narrative-driven game that raises awareness of systemically racist housing policies. My Lovely Planet , a mobile game that encourages players to protect our planet. Darkening , a personal VR film that shares the true experience of depression. ·I·ve seen what wonderful things people can do when you give them the tools to do it. I·ve also always been passionate about gaming, and how games and storytelling can really inspire people.· - My Lovely Planet, 2022 Unity for Humanity Grantee Apply now Applications close December 9, 2022. Don·t have a project yet, but think you·ll have one next year? Pre-register for next year·s grant to receive inspiration, tips, and grant news .
