FOR IMMEDIATE RELEASE Tactical RPG Wartales Conquers 1 Million Wishlist Milestone, Sells 600K+ Units Journey continues with more content updates planned BORDEAUX, France - April 27, 2023 - Wartales , the medieval open-world tactical RPG from developer and publisher Shiro Unlimited , boasts several impressive accomplishments since its recent 1.0 launch, including garnering more than 1 million wishlists pending, selling more than 600,000 copies since its initial Early Access release, and earning a 90% positive review score on Steam derived from 12,000+ positive reviews to date. Wartales· massive army of hired blades rejoices, with 20% of commanders spending more than 50 hours in the fray and 9% spending more than 100 hours at battle. The recent 1.0 launch serves as an evolutionary stepping stone, and Shiro Unlimited has much more in store for the future. In alliance with their loyal community, the talented development team plans on implementing several updates and improvements in the near future. Shiro Games carries on a consistent track record of successful titles including Northgard with more than 3 million players worldwide, the critically acclaimed 4X RTS based on the renowned sci-fi franchise Dune: Spice Wars , the beloved Evoland series, alongside many others. Journey across an expansive open world spanning multiple regions with a capable force of companions. Overcome beasts and bandits in tactical turn-based battles where survival requires deft positioning and clever strategies. Amass gold and precious resources while growing the company·s renown and attracting fresh recruits to replace fallen comrades for whatever trials lie ahead. "We're overwhelmed with gratitude by the positive community feedback thus far,· said Nicolas Cannasse, CEO, Shiro Games. ·More than 600,000 players have explored the world of Wartales, and so many have spent hundreds of hours enjoying the game and sharing their discoveries with other players. To our amazing community, we thank you, it means a lot to us!· Wartales is available now on Windows PC via Steam with English, Chinese, French, German, Spanish, Russian, Polish, and Portuguese language support. New recruits will be able to begin the adventure out of Early Access on Steam for $34.99 USD. For more information about Wartales, please visit the official website and follow Shiro Games on Twitter .
