BRIDGEWATER, NJ · Oct. 10, 2023 · XBHD, EON Gaming·s original all-in-one Xbox adapter and successor to best-selling retro hardware accessories including the GCHD MK-II and Super 64, launches worldwide today. Relive classic Xbox memories today like never before by purchasing at Amazon or one of EON·s worldwide retail partners, including Rondo Products, Stone Age Gamer, and Games Connection. The first-of-its-kind adapter for the original Xbox console revives classic titles like Halo: Combat Evolved and Soulcalibur II in the best video quality possible. Defeat bosses and claim victory on multiple displays simultaneously or stream effortlessly with dual HD video outputs. Focus on the fun with lag-free, perfectly translated visuals on the original hardware with support ranging from 480i, 480p, 720p, and 1080i resolutions. The XBHD removes the need for extra cables, routers, and external power sources for a smooth gaming experience. Host the ultimate LAN Party without a router by taking advantage of three RJ45 ethernet connectors. Register clear audio thanks to the MiniToslink 3.5mm port for headphones, speaker systems, and capture cards. ·With XBHD, we·re reviving not only the original Xbox·s great library of games, but making lan parties with friends easier than ever· said Justin Scerbo, co-founder of EON Gaming. ·The XBHD makes those nostalgic moments easier than ever with exceptional video quality, and zero lag or extra equipment needed.· The XBHD launches worldwide today and retails for $189.99 USD via Amazon or one of EON·s worldwide retail partners, including Rondo Products, Stone Age Gamer, and Games Connection, shipping worldwide.
